Laura - I'm planning to conditionally approve the RI based on additional modifications made to the document this week. I ran into a bit of a snag yesterday in that all the documents I created are lost...I had a computer issue that didn't save them – urgh! Anyway, I'm still going to try and get it done tomorrow. After that, the LWG has 30 days to produce the final document. That would make the RI report final on February 8.

Subject: Portland Harbor, RI finalization schedule

Hello.

Thank you again for the teleconference this morning to update the tribes on the FS finalization.

I realized I forgot to ask about the Remedial Investigation (RI). What is your anticipated schedule for finalizing the RI?

Regards,

Laura
